## President's Message: A New Year

The year is off to a great start with all the enthusiasm from the board members and the entire club. Our club is going to be the best service club in Mesquite. Our Projects Committee will be analyzing service projects to keep us busy in the coming year.

I want to thank all the club members that have agreed to serve on our board. It is with their commitment that our club will be successful. A special thanks goes to Mayor Susan Holecheck for taking on the responsibility to publish this newsletter each month.

The 2009-2010 theme is "The Future of Rotary is in your Hands". The Rotary International President John Kenny states that if the Rotary chain is to continue, every link in it must be strong. It is our responsibility, yours and mine, to forge solid links to Rotary's future. It is our responsibility to ensure that Rotary will be stronger next year than it is now, and even stronger the year after that.

Rotary International has developed a strategic plan with seven priorities that set the course for a strong future. The priorities include:

- Eradicating polio
- Advancing the recognition and public image of Rotary
- Increasing Rotary's capacity to provide service
- Expanding membership globally in both numbers and quality
- Emphasizing Rotary's unique vocational service commitment
- Optimizing leadership talents within RI
- Fully implementing the strategic planning process to ensure continuity

Visit the RI website to learn more about the priorities of RI and President Kenny.

The theme I choose for our club this year is "Open Your Heart to Rotary". Each of the board members and committee chair people were given their heart Rotary pin on May 1st at our Club Assembly and first "Rotary Rehab" fellowship evening.
